## A COOL MILLION

Is the Amount Contributed by Wheeling to Uncle Sam in '99.

### THE INCREASE WAS \$184,866

Over the Internal Revenue Collections for '98—Two-thirds or More of the Federal Revenue of the Entire State Collected from This City—A Good Argument for a New Government Building Here.

Not many people realize, and some who realize do not appreciate, the importance of the city of Wheeling as a contributor to the Federal revenue. For instance, few know that two-thirds or more of the internal revenue collected for the entire state of West Virginia comes from this city—yet it is a fact. For the year just ended the collections exceeded all past records, amounting to fully \$1,000,000, or an average of \$5,333 per day of the 309 on which business is transacted by the Federal revenue men. This vast sum is made up almost entirely of stamp sales, a comparatively small amount coming from liquor licenses. The stamps are used on the output of beer from the local breweries, stogies from the score or more of factories, "Mail Pouch" from the Bloch Brothers Tobacco Company, and on documents which the war revenue act requires to be stamped. Of this million dollars, the local revenue office is directly credited with about \$300,000, the other \$700,000 or more going direct to the main office in Parkersburg.

The following table shows the collections of internal revenue on stamp sales, made at the local office during the months of the years 1898 and 1899:

Months.	1898.	1899.	Increase.
January.....	\$13,361	\$20,356	\$7,995
February.....	\$8,194	\$9,353	\$1,159
March.....	\$2,495	\$3,362	\$867
April.....	\$2,433	\$3,900	\$1,467
May.....	\$5,391	\$2,600	\$2,791
June.....	\$2,560	\$5,000	\$2,440
July.....	\$8,414	\$2,294	\$6,120
August.....	\$2,910	\$3,896	\$986
September.....	\$1,428	\$1,800	\$372
October.....	\$4,217	\$7,729	\$3,512
November.....	\$1,892	\$5,500	\$3,608
December.....	\$9,749	\$6,000	\$3,749
Totals.....	\$82,908	\$107,942	\$25,034

\*Decrease.

It will be seen that the increase for 1899 over 1898 is \$184,866 or over 25 per cent, a remarkable showing even for this era of prosperity in all branches of business. In fact, the year over which the increases are made was itself a year of prosperity until then unequalled.

It is said that there is no city in the United States of Wheeling's size, which contributes nearly so much revenue to the Federal treasury.

The thought cannot fail to bob up that a city which contributes a million a year to the government is deserving of good treatment by Congress when its representative (Captain Dovenor) and senator (Mr. Scott) at the proper time push the bill providing for a new and suitable government building, to replace the present inadequate and antiquated structure.

### GOES TO PARKERSBURG.

Meeting of the State League of Republican Clubs. Called for That City March 8—Prominent Speakers Coming to This Meeting.

Secretary D. E. Hughes, of the West Virginia League of Republican Clubs, yesterday issued the official call for the meeting of the organization. Wheeling and Parkersburg were applicants for the meeting, and the latter won out. The date is March 8th, and the indications are that the meeting will be largely attended, though it will not be so large a meeting as could have been had in Wheeling on February 23, the time and place suggested by some of the local Republican leaders, who desired the league to benefit by the great crowd and enthusiasm "Dewey Day" would crystallize in Wheeling. However, the holding of the league meeting in Parkersburg will improve Wheeling's chance of securing the state Republican convention, which is, of course, the more important gathering of the two.

Secretary Hughes, of the league, is corresponding with well known Republican leaders and orators out of the state, and the programme will likely include addresses by speakers of national reputation.

### A DEMOCRATIC SLATE

Said to Be Brewing in Ohio County. The Ticket Alleged to Be on the Tap.

The meetings of a section of the county Democracy at regular intervals continue, with more or less interest, and the brethren are effecting a slate to be run through the primaries. Recently letters were sent out to members of the party, calling a conference, which was held at the Odd Fellows' hall, and on which occasion it was decided to select a committee of three from each district who should centre on available candidates. The ticket that found favor with the ring is said by a good authority to line up thus:

Sheriff—W. W. Irwin.  
Prosecuting attorney—W. P. Robinson.  
County assessor, country district—Harry Engel.  
County assessor, city district—J. Wilson White.  
Judge criminal court—Lewis L. Jordan.

County commissioners—Washington, Eugene Deiters; Clay, J. L. Sawtell; Union, C. C. Schmidt; Centre, Frank C. Caldwell; Webster, Harry Gartley; Madison, George W. Robinson; Ritchie, Otto Auber; Triadelphia, George Woods, Richard, Al. McCulloch; Liberty, Mr. Howard.

Some changes may be made, but the ticket as outlined will be found pretty near the mark after the Democratic primaries. There is a little doubt as to the nominees for commissioner for Clay and Ritchie districts. For Clay, the names of Helen Butler, William Welty and Mr. Sawtell were mentioned, but the latter will decide to stand. Mr. Woods promised to run again in Triadelphia if he had no opposition for the

**OF MEN'S AND BOYS' ODD SUITS AND OVERCOATS.**

It doesn't matter to you whether we have one or a hundred Suits and Overcoats of a sort, if the one we have is the one you want. But it matters to us. To have a customer fall in love with a Suit or Overcoat, and then fail to get the required size, is to make that person dissatisfied with the store. Hence Clearance Sales, when we bunch the fews of various sorts, and telling plainly that sizes are missing here and there, we sell them in a way to make friends instead of losing them.

nomination, and as the slate-makers are after this very thing throughout the county, Mr. Woods will be given another chance to fall down before a good Republican majority.

Clay district, by the way, promises to be interesting at the Republican primaries. It is a safe Republican district, and for the nomination, Commissioner Will Gutman will be opposed by Dr. L. N. Reefer.

### The Rush to Paris.

Mr. H. F. Behrens, the steamship agent, says the rush to the Paris Exposition, which opens April 15 and closes October 15, is so large that the oceanic steamship companies will be unable to handle the traffic, and they have therefore decided to discontinue advertising the exposition. Wheeling will send several big delegations to Paris.
